Youth Voice, Inc. Sponsoring Carson City School Board Debate

Reno, NV—September 1, 2006 —Youth Voice, Inc. is pleased to announce that its next event will take place Monday, October 2 at in the Sierra Room of the Carson City Community Center at 7pm. Candidates running for positions on the Carson City School Board will participate in a debate directed towards the young people whom their decisions will most directly affect.

After last week's breakout success at the gubernatorial debate at UNR, Youth Voice, Inc., is excited about expanding its operations and continuing to support a range of events and activities which will re-energize political activity among Nevada's youth. No matter what the scale, Youth Voice, Inc. is committed to upholding its mission at all levels of government. Please come out, get involved and help make a positive change!

Youth Voice Inc.'s mission is to help young people become active, vocal and responsible members of American society by providing a non-partisan forum to promote and foster a culture of civic engagement.
